WHEN TO USE IT

Use the Notebook Sheet to:

- Provide identifying information about the whereabouts and current address of each child or family in a caseload.
- Provide directions to the child's or family's current place of residence.

In some offices, Workers use notebooks to monitor case assignments and movement. Use the "Notebook Sheet" form to identify a child or case. The form is scanned into the on-line manual as a sample. Order additional Notebook Sheets from DCF Publications. The form is stocked.

DISTRIBUTION
